A GLIMPSE OF BTLIT...

BTL INSTITUTE OF TECHNOLOGY & MANAGEMENT, established in the year 1997 under the leadership of our Founder chairman Late. Dr. Prof. B.T.Lakshman (an NRI settled in USA) is now in its 21st successful year and we are marching ahead towards achieving the vision and mission of our founder chairman. BTLIT extended its wings and included in itself Six undergraduate programs and Three master programs. The college has excellent infrastructure with 25 acres of lush green scenery, well-equipped laboratories and highly qualified and experienced faculty. This college is approved by All India Council for Technical Education and affiliated to VTU.

ABOUT CSE DEPARTMENT

The Department of Computer Science and Engineering is headed by Dr. M.V. Panduranga Rao along with well qualified faculty, technical staff and students. The mission of the department is to educate engineers with the ability to administer and manage real world problems with latest technologies. The vision of the department is to become an academic and research leader in Cloud Computing and Embedded Systems.

“BTL Centre of Excellence in Decision sciences” has been established in 2011. It is also has been recognized by VTU in 2012. Intensive Research work is being carried out by Ph.D scholars, M.Tech graduates in the areas of cloud Computing and Embedded Systems.

ABOUT THE CONFERENCE

The National Conference on Computer Applications and Communication Systems is organized with a view to introduce the participants, the recent trends in Computer Applications and Communication Systems. This conference will act as a forum for researchers and practitioners interested in the advances and applications of Computers and Embedded Systems to present and to observe the latest research, results and ideas. This unifies Communication and computing technologies, highlights the trends in Embedded systems and bridges the gap between theoretical research and practical applications.
