

Workshop on Interior Glazing by Glass Academy Foundation

The workshop was conducted for the civil final year students from June 25th to June 30th 2018. On the first day of workshop the expert from “Saint Gobain” company gave an introduction about shower enclosure which includes skills and installation.

Objective of this 5day workshop had a motto of deep learning of glass material & its utility gaining knowledge and guiding the learner to become an entrepreneur.

The shower enclosure business model includes the following steps.

Inauguration function on 25th June 2018

Principal addressing students on first day

CEO addressing students

On the second day of workshop he has explained the types of glasses; add on features, types of shower enclosures, installation process, measurement and industry challenges.

On the third day of workshop they had took us to the Sri Ram Property of villaments. We visited site where they shown us types of shower enclosures, its components and standard dimension of fixed and open able doors.

Visited Sai Ram Property 27th june 2018
